

GIVE LIFE TO YOUR STORY™

WHAT IS CAMPUS LIFE?

Campus Life seeks to reach lost students with the life changing message of Jesus Christ. We go where kids are (schools, sporting events, local spots, etc) and do relational ministry.

If you're looking to get involved in a ministry right now, then Campus Life is the place for you! We have Clubs that meet at all different times, days and places around the city that work great with a college schedule.

Campus Life also offers internships and part-time positions with very flexible hours. If interested in joining our team please contact:
