*"They're here to encourage you and to let you know that no matter what comes your way there is always someone you can count on to help no matter the problem."
-Shay*

*"Parent life is a family. You grow to love each volunteer and teen parent as if they were your mom, dad, aunt, uncle, sister, brother. These amazing individuals want to do life with you; through the good and ugly. Give them a chance to show you what unconditional love is."
-Athena*
